Harmon Ranch Homeowners Association Inc Capitalization Fee Guidelines

The Board of Directors of Harmon Ranch Homeowner’s Association, Inc (the “Association”) hereby adopts the following Capitalization Fee Guidelines.

These guidelines are to be applied during the closing process of a home within Harmon Ranch Homeowners Association. A capitalization fee is a mandatory transfer fee to be collected at the time of a transfer of warranty deed for all closings completed from the time of the recording of these guidelines, with the Tarrant County Clerk as a public document forward, until otherwise amended.

The Capitalization fee is equal to the yearly dues for Harmon Ranch Homeowners Association for said year of warranty deed transfer. The funds collected could be used for capital projects, expenditures, and shortfalls to pay ordinary and necessary expenses exceeding budgeted funding, with Board approval.

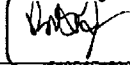

Capitalization fee funding can be used in reserve budget preparation for future year projects. Such budgets will be approved in an open meeting, requiring a board motion and formal approval.

The Capitalization fee is a standalone fee. The collected capitalization fee is non- refundable nor can be applied towards annually paid assessments or other charges applied to an owners account. The Capitalization fee will be clearly defined, separate from all other funding through financial reporting and ledger application.

IT IS THEREFORE RESOLVED that these Capitalization Fee Guidelines are effective upon adoption and recordation hereof, to remain in force and effect until revoked, modified or amended.

This is to certify that the foregoing resolution was adopted by the Board of Directors at a meeting of same on November 13, 2023, and has not been modified, rescinded, or revoked.
